EECT Testimonial

The Raindrop Association of Australia, Inc. would love to hear your experiences of the Egyptian Emotional Clearing Technique (EECT), as this contributes greatly to our program development and our understanding of the scope of EECT. Please write your testimonial in the space provided below, or attach as a separate sheet. If you grant us permission (by filling in the details at the bottom of this page), we may use your testimonial in full or part in our upcoming publications and advertising. We're very grateful for your contribution.

A tip about writing testimonials. In Australia we may not make therapeutic claims about EECT or Young Living's essential oils. Instead of using sweeping statements such as "this cured my depression" or "this healed me", simply state specifically what you did or felt, and what the results or experiences were.

Please send your testimonial to:
